

## STX for iPhone Got To Have It!

Our new STX for iPhone or iPod touch is more than a browser application. We designed it from the ground up to take advantage of iPhone exclusive features. Extend the reach of your desktop STX through appointments, tickets, service and retail history and much more on your phone. Exclusively available in the iTunes store, now you can seamlessly connect to your business while on the road.

- Manage your appointments on the go.
- Photograph your clients while they're still in the chair.
- Receive an alert when your guests check in at the front desk.

With all the most often used features of STX built into STX for iPhone, your team can be more efficient, more informed and more profitable. You'll love what STX for iPhone can do for you.
